U.S. BANKRUPTCY COURT  
ST. PAUL, MN

March 19, 2006

Dear Mr. Hedback,

Enclosed is additional information regarding the continued fraud of David Nowacki. Somehow, I hope you will ensure that he is fully investigated. There are more lies and fraud in his case than anyone could believe. He continues to make a mockery of the bankruptcy system that you represent.

I truly believe that with the information Kent Kramer and I have provided you, Robert Raschke and Judge Kishel, there has to be enough evidence to charge Mr. Nowacki with perjury and bankruptcy fraud.

I beg you to do something for some good people (the creditors) and start something in motion that will get this bad person (Nowacki) what he deserves.

At one time you had told me you were surprised I did not hire an attorney and file an adversarial proceeding against Mr. Nowacki. Mr. Hedback, I did not wish to invest any more money in Mr. Nowacki and seeing that I was an unsecured creditor for a relatively small amount, I knew I would never recover any money on this case anyway. Believe me the reason I continue to pursue this matter has nothing to do with money. It is because Mr. Nowacki is truly a rotten person and I would like to see him get what he deserves.

The Lexus that he bought for someone else in his name and listed in his bankruptcy claim is actually in Carzone of Burnsville's name as of 3-06. The creditor hearing in Jan. 05 stated that Carzone had no assets and all of the cars had been sold. Carzone bought the tabs for that vehicle in 3-05. Also there is a 1996 Plymouth currently in Carzone's name as I learned by visiting the Bearue Citation # dated 1-06. I continue to add enough information to my file that someday I could write a novel on this fraud but I would prefer to share my information with the justice department.

Thank you very much for your consideration in this case.

Sincerely,

  
Dave Kennedy
